

02051 New Fabric Seat Cleaner

Not only does New Fabric Seat Cleaner bring out the cleaning ability, but it also kills germs and gets rid of bad odors. It removes both dirt and bad odors engrained in the fabric seat, and keeps the seat clean for a long time. You can also use it to clean child car seats. A special brush is included.

Directions

1. Shake the can well and spray it about 20cm away from the seat.
2. Dry for 1-2 minutes then wipe it off with a dry cloth while rubbing. Afterwards, dry it well.

02080 New Fabric Seat Cleaner 400

Not only does New Fabric Seat Cleaner 400 get rid of bad odors, but it also has a cleaning effect. Its antibacterial effect prevents molds or ticks from occurring, which gives a great result with fresh mint scent. It can easily remove dirt such as tar, stains or sebum from the seats. Plus, the included brush helps you remove persistent dirt in the fabric. Organic solvent is NOT included, so it is very friendly to people and fabrics.

Directions

1. Set up the nozzle to <MIST>.
2. Spray it 15-20cm away from the seats or mats and rub with the included brush. The area where you spray will bubble.
3. Wipe off the bubble and dirt with a clean towel before the surface gets dry.
4. Dry completely and then the entire process will be done.
