

## Stain Cleaner Tube Type MINI

Stubborn dirt

Dead Bugs

Pitch

**“By just applying” , it removes dirt which car wash can't!**

Given increased coated new cars and improved paint quality, it is carwash machine users and those who don't wash car frequently that need "stain cleaner". This new "Stain Cleaner Tube Type Mini" was developed for solving such users' problems.

### ① Removes dirt & dullness which carwash machine cannot, and provides wax finish!

**"What should I do to remove dirt and dullness which carwash (machine) CANNOT?"**  
---We reflected such a user's voice.

The package is designed to give a 'dirt removal' impression, by showing the word: 'Removes dirt & dullness which carwash machine cannot' . With triple effect of 'super micro particle powder', 'orange oil' and 'water-based solution' , it removes stubborn dirt and dullness which carwash cannot, and simultaneously maintains the wax effect for about one month.

### ② Wiping off is NOT required! Compatible with any colors!

**「I don't wanna take much time.」 「Prefer easy-to-use products!」**  
---We reflected these users' voices.

All you need to do is just applying with a towel. It is compatible with any colors such as white solid color or pearl mica color.

### ③ The right size! Content:65g

**"Conventional stain cleaner is too big to use it all up!"**  
---We reflected such a user's voice.

Easy to use it all up. Easy to take the paste out of it as needed. Easy to store. But, you will hardly get your hands dirty with it!

**Super eye-catching!!!**  
 Products are a set with a hanging paper board!

Shows how-to-use and directions with picture and illustration, which will be captivate consumers attention. By just hanging at a casher or side net, the promotion effect will be improved!

In the demand seasons such as spring, after rainy season, year-end.... this is useful!
