

"KEEP CLEAN IN THE CAR" will be a keyword!

Allergic symptoms such as cedar pollen allergy are caused by other pollen and house dust as well as cedar pollen. Therefore, the interest in keeping the room clean through the year has increased these days. It means, the inside of car is required to keep clean, because people normally stay in the car for hours once they get in the car.

We introduce "Spoonmo. Cleaner Spray+Handy Mop" which can remove daily dirt whenever you want.

1 Removes dirt with cleaner spray and handy mop!

Newly developed cleaner spray can be used to various parts in the car. This comes along with a special handy mop which enhances cleaner's performance.

---It's SPOOMO!

By just wiping with the mop after spraying the cleaner, it removes adhesive dirt, and the dust won't be stirred up!

2 Newly developed cleaner spray is versatile!

All you need to clean car inside is this versatile spray cleaner! It can be used to dashboard, interior resin parts, fabric seats, glass and so on.

※ Do not use on leather and LCD.

3 Newly developed special double faced mop!

Specially designed mop enhances the performance of Cleaner spray. Shaggy dust mop surface removes "dust" and "pollen" in dry condition. It also removes adhesive hand marks, tar and other unwanted residue, after spraying included cleaner. Not only does it clean the glass, but also it allows surprisingly clear and transparent vision, when you pull out the handle from the mop and wipe the glass with micro cloth surface.

※ This mop is foldable and washable.
