

20533 Induction Heater

The dual functioning bottle is used for application of this product, and allows you to clean efficiently without your hands becoming soiled. The easy to grip, mouse shaped bottle allows you to apply force easily and finish beautifully even on large surfaces, without creating unevenness. This product includes orange oil and specially-treated abrasive compounds which are softer than the glass top plate, can remove persistent oily dirt or scorched residue.

20539 Magical Dual Eraser for Scorched Residue, Darkening and Rust

This cleaning product allows you to remove stubborn scorched residue, darkening and rust from surfaces in the kitchen, as if you are erasing words with a typical eraser. The dual structure containing both hard layer and soft layer will help adjust to eliminate both heavy and light residue as needed. This product can also be used on some gardening tools, metallic surfaces of bicycles or pipes and tiles found in the bathroom.

20528 Cleaner & Wax for Wood Floors - Long Lasting Gloss-

Not only does the cleaning component blending orange oil cleanly remove dirt, but it also allows you to use it comfortably with its fresh scent. Rewiping is NOT necessary. You can finish quickly and it is very convenient. It protects the floor from dirt and scratches and makes it hard to slip after use.

Directions

1. Raise the stopper, spray directly onto the floor, and spread around with a clean, dry towel until there is no unevenness.
2. Do not touch until dry (approx. 5 min.) No buffing required.

*To prevent blockage of the trigger nozzle, wipe after use and close the stopper before storage.

20622 Wonder Cloth for Mirror Glass

By just softly wiping, the Wonder Cloth for Mirror Glass can remove unwanted residue and dust completely, and restore the mirror's glass to its original transparency. Furthermore, this product's strong foggy-free effects do not allow fog to reoccur. This product is a neutral, scent-free type and skin friendly.

Directions

1. Take out one sheet from the package.
2. If the sheet gets dirty, refold it and continue to use a cleaner side.
3. If desired area is extremely dirty, lightly wipe off dirt, and afterward finish with a cleaner side of the sheet.

* In case white streaks remain after wiping, wipe over again with a dry, clean cloth.

* Seal the package firmly, in order to prevent the sheets from drying out.

20637 Cleaning Sheet for Liquid Crystal

This special sheet scrapes off dirt and absorbs it without scratches and streaks. Rewiping is not necessary and it removes dust and dirt caused by oily or finger prints completely, by just wiping lightly over the desired area. Antistatic agents preventing dust from adhering, and allergy resistant agents are combined. This product's sheet is big enough to clean up to a 60 inch large screen perfectly.

Directions

1. Power off the screen.
 2. If hard dirt adheres to the screen, remove it in advance.
 3. Take out one sheet from the package.
 4. Do not rub with excessive force. When removing unwanted residue, wipe it off applying force little by little.
 5. If the sheet gets dirty, refold it and continue to use a cleaner side.
- * Seal the package firmly, in order to prevent the sheets from drying out.

20535 Stain Eraser - Natural Smooth Leather**Natural Smooth Leather**

Stain Eraser for Natural Tanned Leather can remove dirt from leather products such as: shoes, bags, belts or jackets. It is as easy as if you were erasing words with an eraser. It does not require you to use water and cleanser, which does not leave any unwanted stains or spots. Includes convenient to carry protection case. If you bring it in your bag, you can use it easily wherever you are and whenever you want.

Natural Tanned Leather

Abrasive compounds are not included so there is no damage to the leather surface after unwanted residue is removed. The eraser shavings are splatter-proof and are very soft. We recommend you use this product specifically for white leather where dirt is easily visible.

<Suede Leather>

This eraser is shaped with exclusive, extra fine fibers. It gently removes dirt from suede leather or velour which can easily be damaged.
